

TIGERNUT BEER "ANTARA"

from 400 B.C. "

... The Indians collected and boiled tigernuts with beer made from barley ... are very pleasant ...

All eaten as exquisite delicacy ... " Theophrastus: "History of Plants", s. IV B.C.

The ANTARA beer has been conceived as antiquity food.

Perfect blend of cereals, tigernut and hop flowers.

Transcends a second fermentation in the bottle, leaving natural yeast pellet.

Beer handcrafted in Casas del Rey (Valencia), with spring water, based on a careful selection of Wheat, Barley and Chufa.

Organic Certification CAE-CV.
Certification OD Chufa of Valencia.
Graduation: 4.2 °

Not filtered or pasteurized.

Unit EAN: 8437008488356

33 cl. glass bottle

Box of 24 bottles of 33 cl

24 Units per box

45 Boxes per Europalet
